F.00KAMENDMENT

Sir:

Supplemental to the filing of the above-identified application as a Continued Prosecution Application (CPA), and preparatory to examination thereof, kindly amend the above-identified application as follows:

IN THE CLAIMS:

Kindly add new claims 27-40 as follows:

5/5 D.1
C 1

27. The use of facsimile machines, and/or facsimile modems internal to an office product, to create a scanning capability from a facsimile machine to a component; with data transferred in a conventional way, and without manipulation, or modification of the original signals, said devices being directly connected and isolated from a connection to a telephone.

28. The use of facsimile machines, and/or facsimile modems internal or external to computers and various office products, to perform a scanning function, and being connected by telephone types of circuits, transferring data in a conventional way, and without manipulation of the original signals, connection for performing scanning being facilitated by the telephone
